About Me

Junior Data Scientist with strong critical thinking, mathematical foundation and programming skills.I have strong knowledge in data analytics, computational modelling and data visualization. Working for 1+ years with Python and solving real-time problems with machine learning and deep learning models.

Work Experience

Sep 2022 – Jan 2022 Internship **Data Scientist** at Data Glacier company

March 2018 - Oct 2018 Internship Automative Engineer in the factory ONIKS Tashkent

Apr 2016 - 2018 Math and Physics **Tutor** in Private Learning Center

Educational Background

Jan 2022- Nov 2022
Epicode School Data Scientist

Sep 2014 - June 2018
Tashkent State Technical Unversity
I am holder of Automatical Engineering diploma

Languages

English - Advanced
Russian- Advanced
Uzbek - Native
Polish - Beginner

Skills & Proficiencies

- Python
- Pandas
- Numpy
- BeautifulSoup
- Selenium
- Matplotlib
- Statistics
- Scikit-learn
- Pytorch
- OpenCV
- Streamlit
- Django
- SQL
- HTML
- CSS
- Docker
- PowerBI
- PostgreSQL
- Spark
- Hadoop

Certificates

- **PostgreSQL Udemy Certificate:**
- **Epicode Graduation Certificate:**
- **Pirple- Python is easy:**
- **Strive School - Python:**
- **Strive School-ML:**
- **Strive School - DL:**
- **Strive School - Software Engineering:**
- **Kaggle-Pandas:**
- **Kaggle - Intro Machine Learning:**
- **Kaggle - Intermediate Machine Learning:**
- **Kaggle - Data Visuzalization:**
